

Robotic Surgery in Urology: Seniors vs Juniors.

Second da Vinci Junior Users Meeting.

Chairman of scientific committee:
Michele De Angelis, Giorgio Guazzoni

Chairmen:
Filippo Annino
Nicolòmaria Buffi

With the Endorsment of

Provider n° 156

Arezzo S. Donato Hospital
 December 6-7th, 2013

Friday December 6th.

Morning Session

08.00-08.30 **Welcome**

08.30-09.30 **Face to face. Robotic Surgery is a young surgery or a surgery for young. Juniors vs Seniors points of view.**

Moderator: M. Carini

Pannel: A. Celia, F. Curto, B. Rocco, F. Rocco, N. Suardi

- 5 minutes pro Seniors: *F. Rocco*

- 5 minutes pro Juniors: *B. Rocco*

08.45 - **Review of current literature on da Vinci Prostatectomy Seniors Results.**

N. Suardi

09.00 - **An European study, Junior Surgeons Results on da Vinci Prostatectomy.**

F. Curto

09.15 - **Discussion**

09.30-11.30 **Live Surgery - Renal Surgery**

Provoker: S. Crivellaro

Pannel: A. M. Bocciardi, C. De Carne, F. Gallo, S. Serni

- **Junior Surgeon Performing a live case with a Senior surgeon in the second console.**

N. Doumerc, R. Gaston

11.30-11.45 **Ultrasound-guided robotic radical prostatectomy:
Is there any role?**

R. Autorino

11.45-12.00 **Modular Surgery: will it become a real training model?
Why? Pro and Contra.**

N. Buffi

12.00-13:00 **Round table:**

**Training models: what is the application in Europe for
Seniors and Juniors.**

Moderator : F. Rocco

Pannel: A. Minervini, V. Pizzuti, S. Serni

Poits of view

- Senior: *A. Porreca*

- Junior: *A. Volpe*

- Resident: *G. Lughezzani*

13.00-14.00 **Lunch**

Aftnoon Session

14.00-14.20 **Optimization of robotic activity in multidisciplinary assessment, advantage of a central coordination.**

F. Melfi

14.20-14.40 **What shine & what's dusty in Medical treatment of prostate cancer.**

S. Bracarda

14.40-17.30 **Live Surgery - Prostate Surgery**

Provoker: A. Porreca

Pannel: G. Barbanti, R. Felipetto, G. Muzzonigro

- Radical Prostatectomy. With Fluorescence and/or Transrectal Ultrasound.

Senior surgeon in Double console with a Neophyte performing a Modular Training Surgery.

T. Piechaud & Saint. Augustin Fellow

17.30-17.45 **Rehabilitative or pre RALP 5phd-i treatment: prevention and management.**

N. Suardi

17.45-18.00 **Continenace recovery: what is the impact on radical prostatectomy costs Analysis.**

L. Masieri

18.00-18.15 **Neoadiuvant therapy, previus prostate surgery or prostate biopsy access: how does affect robotic radical prostatectomy?**

C. De Carne

18.15-18.30 **Conclusions.**

19.15-20.30 **Welcome ceremony** (*Basilica S. Francesco*)

Saturday December 7 th.

Morning Session

08.00-08.30 **Opening.**

08.30-09.30 **Evidences in robotic surgery in urologic procedures: everything but RALP.**

Moderator: A. Porreca

- Pyeloplasty & others recontuctive procedures. *N. Buffi*
- Partial nephrectomy. *F. Porpiglia*
- Radical cystectomy. *R. Autorino*
- Radical nephrectomy. *A. Asimakopoulos*
- Other. *A. Celia*

09.30-10.40 **Live surgery - Tricky case for expert senior surgeon. Focusing on bedside assistant role.**

Provoker: A. Galfano

Panel: P. Casale, A. Celia, G. Kyryacou, G. Lughezzani

- **Cystectomy : lymphadenectomy time.**
B. Rocco

10.40-11.00 **NOTES radical Prostatectomy**
S. Micali

11.00-11.20 **Break**

11.20-13.00 **Live surgery - Tricky case for expert senior surgeon.
Focusing on bedside assistant role.**

Provoker: G. Bianchi

Panel: M. Cecchi, G. D'Elia, L. Masieri, R. Nucciotti

**- Robotic radical cystectomy: tips and tricks on
cystoprostatectomy and nerve sparing technique.
*R. Gaston***

13.00-14.00 **Lunch.**

Aftnoon Session

14.00-16.00 **Live surgery - Tricky case for expert senior surgeon.
Focusing on bedside assistant role.**

Provoker: F. Francesca

Panel: R. Autorino, C. Giberti, A. Minervini, S. Perdonà

**- Robotic radical cystectomy: neobladder reconstruction
technique.
*R. Gaston***

16.00-16.20 **Kidney cancer: hot news!
*M. Sisani***

14.20-16.40 **Augmented reality, fluorescence, airseal, and other
innovation in robotic surgery: is there any potential
advantage?
*G. D'Elia***

16.40-17.00 **International training in robotic surgery:
where can be trained a young urologist.
*B. Rocco***

17.00-17.30 **Future perspective in Robotic evolution.
*E. Cimatti***

17.30-18.00 **Conclusions and take home message.**
